Club Advisor: **Asst. Prof. Dr. Bunyarit Uyyanonvara (ICT)**

Objectives:

- To train student how to play “Bridge”
- To enhance our abilities to analyze
- To train students how to work as a team
- To practice memorizing abilities
- To train students how to think strategically
- To create a more interesting and wider society for students to engage in Recreation

Vision:

As for myself, throughout the whole one year in SIIT, I see the needed opportunity to enhance student ability to its full potential such as analyzing and thinking logically in a critical matter.

Therefore with the listed of committee members, we all wish to have a club that helps students to fulfill their thirsty need to learn how to think critically. With the advice of our teacher advisor he suggest us the game called “Bridge” which is a card game. It is the game that demands both analyzing and cooperating ability to its full potential in order to play in an acceptable level.
