General Information on Academic and Student
Advising Systems

by

Prof. Dr. Pruettha Nanakorn

Assistant Director for Academic Affairs

หลักสูตร

SIIT 2017 Curriculums (Programs)

Nine Programs in Five Schools

+

Department of Common and Graduate Studies (CGS)

Schools & Department

1. Bio-Chemical Engineering and Technology (BCET)
2. Civil Engineering and Technology (CET)
3. Manufacturing Systems and Mechanical Engineering (MSME)
4. Information, Computer and Communication Technology (ICT)
5. Management Technology (MT)
6. Common and Graduate Studies (CGS)

หลักสูตร Curriculums

1. School of Bio-Chemical Engineering and Technology (BCET)
 - Chemical Engineering Program (ChE)
 - Option I : Bio-Chemical Engineering
 - Option II : Chemical Process and Materials

หลักสูตร Curriculums

2. School of Civil Engineering and Technology (CET)

- Civil Engineering Program (CE)

Option I : General Civil Engineering

Option II : Infrastructure Engineering

หลักสูตร Curriculums

3. School of Manufacturing Systems & Mechanical Engineering (MSME)

- Industrial Engineering Program (IE)

Option I : Industrial Engineering

Option II : Manufacturing Engineering

- Mechanical Engineering Program (ME)

Option I : General Mechanical Engineering

Option II : Energy Management

หลักสูตร Curriculums

4. School of Information, Computer & Communication Technology (ICT)

- Computer Engineering Program (CPE)

 - Option I : Intelligent Systems

 - Option II : Pervasive Technology

 - Option III : General Computer Engineering (CPE)

- Information Technology Program (IT)

 - Option I : Information and Communication Technology

 - Option II : Information Technology Management

 - Option III : Information Technology

- Electronics and Communication Engineering Program (EC)

 - No option

หลักสูตร Curriculums

5. School of Management Technology (MT)

- Engineering Management Program (EM)

No option

- Management Technology Program (MT)

Option I : Management Information Systems (MIS)/

Services Science, Management and Engineering (SSME)

Option II : Supply Chain Management (SCM)

Remark: An option will be offered when a minimum number of students is satisfied.

ภาคการศึกษา

Semesters

Regular Semesters

1st semester : August–December

2nd semester : January–May

Summer Semester : June–July

- (a) Mainly for students who got “F”, “U” or “W”.
- (b) Grades of the summer semester are considered as part of the 2nd semester’s grades.

การให้คะแนนผลการเรียน

Grading System

- Students are required to attend each class for not less than **70%** of the total class hours.

A	=	4.0	Excellent
B+	=	3.5	
B	=	3.0	Good
C+	=	2.5	
C	=	2.0	Fair
D+	=	1.5	
D	=	1.0	Minimum
F	=	0.0	Fail

การลงทะเบียน Registration

Registration Period: Semester 1/2017

❖ Aug 10 (Thu), 2017

Registration for new undergraduate students.

❖ Aug 15 (Tue), 2017

First day of fine for late registration (45 baht/day is applied).

❖ Aug 15 (Tue) – Aug 28 (Mon), 2017

Add-drop period. Dropping a course within this period will leave no “W” in the academic record. In addition, 50% of the tuition fee will be refunded for the dropped course.

❖ Aug 29 (Tue), 2017

1st day of withdrawal with “W” in the academic record (no tuition refund).

การถอนรายวิชาหลังสอบกลางภาค

Withdrawal after Midterm Exam

Midterm Examination

- ★ Oct 2 (Mon) – Oct 7 (Sat), 2017 : Mid-term examination.
- ★ Oct 24 (Tue), 2017 : Last day for announcement of results of midterm examination.

Withdrawal after Midterm Examination

- ★ Oct 31 (Tue), 2017 : Withdrawal deadline with “W” in the academic record.

(Request for withdrawal after this deadline may not be approved)

Final Examination

- ★ Dec 4 (Mon) – Dec 16 (Sat), 2017 : Final examination
- ★ Dec 27 (Wed), 2017 : Grade announcement

Please see your advisor!

Online registration is available to all students.

การเพิ่มและถอนรายวิชา

Add / Drop

Course addition เพิ่มวิชา

within 2 weeks ภายใน 2 สัปดาห์

Withdrawal ถอนวิชา

- within 2 weeks – 50% fee refund and no record of “W”

ภายใน 2 สัปดาห์ คืนเงิน 50% และไม่บันทึกในระเบียน

- after 2 weeks until 12 weeks → “W” and no fee refund

หลังจาก 2 สัปดาห์ ถึง 12 สัปดาห์ → “W” และไม่คืนเงิน

- no withdrawal allowed after 12 weeks (except special cases)

หลัง 12 สัปดาห์ ขอลงไม่ได้ (ยกเว้นกรณีพิเศษ)

การเลือกสาขาวิชา

Academic Program Selection

Students have been grouped into 4 groups according to the choices made at admission:

1. **Engineering Programs (CE, ChE, IE, ME, EC) students take:**
 - Physics (SCS 138, 139, 183, 184)
 - Chemistry (SCS 126, 176)
 - Mathematics (MAS 116, 117) etc.
2. **Technology Program (IT) students take:**
 - General Sciences (GTS 121, 122)
 - Mathematics for Technologists I, II (GTS 116, 117) etc.
3. **Engineering Program (CPE) students take:**
 - Physics (SCS 138, 139)
 - Mathematics for Technologists I, II (GTS 116, 117) etc.
4. **Management Programs (MT, EM) students take:**
 - General Sciences (GTS 121, 122)
 - Mathematical Analysis for Management Science (GTS 111)
 - Linear Algebra (GTS 112) etc.

การเลือกสาขาวิชา

Academic Program Selection

Academic program selection

★ April 28 (Sat), 2018

Information Session for Program Selection

★ April 30 (Mon) – May 4 (Fri), 2018

Academic Program Selection Period

★ June 20 (Wed.), 2018

Announcement

★ *Criteria : Equivalent GPA, choices of selection.*

การจบการศึกษา Graduation

- ★ Cumulative grade point average of 2.00
นักศึกษาจะจบได้ต้องมีคะแนนเฉลี่ยสะสมอย่างน้อย 2.0
- ★ Study for no fewer than 7 regular semesters
- ★ English proficiency (before graduation)

เกียรติคุณ Honors

อันดับ 1 First Class Honors

1. The study is completed within 4 years.
2. The final cumulative grade point average is not lower than 3.5.
3. The cumulative grade point average of the courses in the major is not lower than 2.00.
4. None of the courses is given a U grade, or a grade lower than C.
5. None of the courses is repeated.

เกียรตินิยม

Honors

อันดับ 2 Second Class Honors

1. The study is completed within 4 years.
2. The final cumulative grade point average is not lower than 3.25.
3. The cumulative grade point average of the courses in the major is not lower than 2.00.
4. None of the courses is given a U or F grade.
5. None of the courses is repeated.

สถานะภาพของนักศึกษาที่พึงระวัง

Warning and Probation Status

CGPA < 1.50 in the first semester → *Warning*

CGPA < 1.50 at the end the second semester → *Dismissed*

From the second semester onwards, the student status will be given as follows:

Warning 1: if CGPA < 2.00 for one semester

Warning 2: if CGPA < 2.00 for two consecutive semesters

Probation: if CGPA < 2.00 for three consecutive semesters

Dismissed: if CGPA < 2.00 for four consecutive semesters
