Sirindhorn International Institute of Technology, Thammasat University Scholarships for Students with Outstanding Activity Performance (OAP) B.E. 2563

1) Objective:

The Scholarships for Students with Outstanding Activity Performance Program aims to encourage students to organize/participate in voluntary campus/community service and leadership activities. With a focus on high quality and quantity of activity performance, we believe that this scholarship program will support our students' capabilities to develop themselves with the desired qualifications of graduates.

2) Amount and Payment:

Performance	Scholarship	Payment
Excellent	15,000 Baht	<ul style="list-style-type: none">- The scholarship will be granted by crediting education and/or tuition fees to the recipient's SIIT account.- In case that the amount of scholarship is more than student's registration expense in the applicable semester, the scholarship will be adjusted to the student's outstanding debt.- There is an exception for a recipient who has received a full scholarship from another scholarship program. The scholarship will be granted to the student by check or money transfer to his/her bank account.
Very Good	10,000 Baht	
Good	5,000 Baht
